The Platform Group AG publishes investment plan 2025 and considers bond increase

Düsseldorf, 10 December 2024. The Platform Group AG (ISIN DE000A200QEFA1, "TPG"), a leading software company for platform solutions, continues to pursue its growth strategy in 2025. In 2024, nine company acquisitions were made, eight of which have already been completed in a closing. The investment volume for company acquisitions in 2024 amounted to EUR 37 million. Further acquisitions are also planned for 2025 and an M&A pipeline has been created. The company is already in various pre-contractual discussions. In 2025, the company plans to implement an investment volume of at least EUR 30-40 million. To implement these transactions, the company has engaged Pareto Securities to examine a possible tap of the existing 2024 corporate bond (GSIN A383EW and ISIN NO0013256834).
